Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Counting-House Guide: Containing Copies of the Chief Commercial Documents Now Generally Used Together With Pro Forma Invoices, Account Sales, and Useful Business Tables and Calculations The publisher of Tate's Counting-house Guide has felt that in its present form the book was getting somewhat out of date, and to take its place I have therefore, at his request, written the following Counting house Guide according to the principles and practice now generally followed by the mercantile community here. One of the chief features of the work is the insertion of copies of the chief documents now used in general commercial transactions, and these, I feel sure, will be found a valuable addition to the book. In arranging the classification of the various subjects treated, I have consulted The Merchant's Clerk; The Work of a Bank; Bills, Cheques and I O U's; and The Money Market Primer by the same publisher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
