Matt Blaine s fears have been realized: EMPs (electromagnetic pulses) have knocked out all power across the globe. Now his Disaster Circle buddies, Rondell Mixon, Lonnie Llewellyn, and Frank Marshall, must make their way to the safety of Matt s secluded farm near the shores of Lake Huron. Traveling from various points across Michigan s mitten, they all have to deal with adversity- thieves, rapists, weather, injuries, and a gang of raiders calling themselves the Vikings. With communications nonexistent, they have no way of knowing if the others will make it to their destination. They all meet new people- a teacher, a survivalist wannabe, an expectant couple, and a pair of hiking enthusiasts. Dodging bullets and bandits, the Disaster Circle members are helped by some, and pay it forward by helping others. The question on everyone s mind is, Will they all make it to the farm, and will they make it in one piece? Travel with Matt s friends as they struggle to come together.
