A Short History of the Renaissance in Italy (Paperback)

By John Addington Symonds

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Renaissance spawned the use of the label Renaissance Man to describe a person who is extremely talented in multiple fields, and no discussion of the Renaissance is complete without the original Renaissance Man, Leonardo da Vinci. Indeed, if 100 people are asked to describe Leonardo in one word, they might give 100 answers. As the world's most famous polymath and genius, Leonardo found time to be a painter, sculptor, architect, musician, scientist, mathematician, engineer, inventor, anatomist, geologist, cartographer, botanist, and writer. It's possible that Michelangelo is the most famous artist in history, but it's also possible that he's an underrated artist. The vast influence of his career is reflected by the fact that he is not only known for his own art but has also come to embody an entire epoch of Western art. Along with Leonardo da Vinci, there are no other artists who so fully capture the spirit of scientific and artistic discovery that characterized art during the late 15th and early 16th centuries. Moreover, Michelangelo's career is distinguished from...
