Arcadia Publishing (SC), United States, 2009. Paperback. Book Condition: New. 221 x 163 mm. Language: English . Brand New Book. Located midway between San Francisco and Los Angeles, the Arroyo Grande Valley was founded during the period of the Mexican land grants. In 1837, the San Manuela Rancho was granted to Francis and Manuela Branch. The rich soils and mild coastal climate created a wonderful location to build a home, grow crops, and raise livestock. While livestock production has diminished, it has been replaced by a growing wine industry and field crops continue to flourish. Arroyo Grande remains one of the most pleasant and safest environments to live and work and maintains much of its historic village commercial area with little change over the past 100 years.
