THE ANTARCTIC: A VERY SHORT INTRODUCTION

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Antarctic: A Very Short Introduction, Klaus Dodds, The Antarctic is one the most hostile natural environments in the world. It is an extraordinary physical space, which changes significantly in shape and size with the passing of the seasons. Politically, it is unique as it contains one of the few areas of continental space not claimed by any nation-state. Scientifically, the continental ice sheet has provided us with vital evidence about...
