Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book, Entrepreneur-ing How to Use Entrepreneurial Skills To Launch Your Own Business or to Be the Boss of Your Career, breaks down the steps to be an entrepreneur with lessons on applying it to your career or your own venture (and many of you can do both sides of these lessons and win / win on every aspect of your lives). This might be the first "ebook" of its kind that comes with its own professor. I am passionate about sharing this knowledge and in helping as many people as possible to unlock the careers they are destined to have. You can have a career as an entrepreneur or improve your career in corporate America (or insert any country, really) with me. I have experience as being an executive, educator and entrepreneur since 1999. I have lived and worked in other countries for various amounts of time and my focus on project management, teaching and learning means this book will walk you through your path unlike any other. Why be an entrepreneur and create your own business: For many subsets of the population, particularly women and minorities, the focus is on building value in your lives through your own businesses. The rates of entrepreneurship has been going through the roof. For many people who are raising young children, having flexibility is key to the career path. I will not tell you being an entrepreneur is "easier" but you can work around your childrens schedules a little more easily than at any established company. If you have a passion or an idea, you need to learn how to nurture it and grow it. My unique...
