MOTHER AND CHILD WILDLIFE PHOTOGRAPHER

By GRUNDY R.

GLITTERATI INCORPORATED, 2015. LEGATURA EDITORIALE. Book Condition: NUOVO. Reg Grundy is one of the key figures in the history of television, known in his native Australia and around the world for his successes as a producer and entrepreneur. Fewer are familiar with Grundy's photographic talents, which were first recognised and emboldened by his friend, legendary celebrity photographer, Douglas Kirkland. Culled from more than four decades of archived photographs, Mother and Child is a breathtaking collection of photographs on the most universal of topics the enduring bond between mothers and their children, shared by all living beings. These evocative photographs take us from the red soil of the Arabian Peninsula to snowy, polar-bear inhabited corners of the arctic, offering glimpses of maternal relationships across boundaries of nation and species. Portraits of mothers as they feed, nurture, teach, and play with their young serve as a poignant reminder that all species live rich emotional and social lives, sharing so much with their human counterparts. This memorable perspective on wildlife, by a man whose vision and determination allow him to thrive at any endeavour he chooses, is a tribute to life and love in its purest form: the relationship between Mother and Child. Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
