THE STORY OF THE NEW TESTAMENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story of the New Testament This little book, written several years ago as a series of monthly studies, is now sent forth without material modification. However, by far the better part of it, as it now appears - namely, the Passages for Daily Readings and the Thought Questions - is due to the General Secretary of the Epworth League. I count this study of small value except in so far as those who follow it avail themselves of these absolutely essential aids. The Biblical material, which Dr. Parker has so judiciously selected, and the opportunity for intelligent reaction in terms of personal judgment that his suggestive questions afford will in a large measure offset the necessarily fragmentary character of the successive chapters. It was thought inadvisable to burden the pages with references; footnotes, as a rule, distract even when they do not destroy interest. Scholars will readily recognize the footprints of the master guides, not slavishly but appreciatively followed, I trust. For others a partial bibliography will be found in the appendix. It is the intention in the near future to issue a special study on the Life and Letters of Paul. This will be more intensive than the general plan of the present volume permitted. It will be especially suitable for Epworth League and Sunday school purposes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
