Armageddon Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An abused woman is the greatest composer who ever lived. Unique and deeply emotional stories from the life of Carmen Angelina Coletti, a prodigy who was taken out of school when she was twelve years old and isolated from the world. Her simple, honest voice remains the picture of a young and reclusive country wife. Abused since early childhood, her music is her refuge, with a gift for composition so complete that she is likely the world's first female great composer, some believing her to be the most gifted composer of all time. Her brief, often dreamlike stories are a poetic glimpse into the heart of a woman who was raised in isolation, by a mother driven to madness by grief.
