

Lyrical Ballads, with a Few Other Poems (1798) (Paperback)

Filesize: 7.05 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Digireads.com, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the first edition of Lyrical Ballads, published in 1798, written by the English poets William Wordsworth and Samuel Taylor. The collection is generally considered to have marked the beginning of the English romantic movement, and despite negative critical reception at first, subsequent editions were produced and the book has remained a staple in poetry and British literature studies for over two centuries. Wordsworth and Taylor sought to bring poetry to the average person by writing in vernacular language on subjects that are universally relevant. The majority of the poems in this edition were written by Wordsworth, including Lines Written in Early Spring, Lines written near Richmond, upon the Thames, at Evening, and The Convict, which was omitted from subsequent editions. Coleridge's contributions, though less popular at the time because of macabre or supernatural nature, include his now famous The Rime of the Ancient Mariner, and Lines written a few miles above Tintern Abbey.
