Harold and Louise Fisher's twins, Alex and Ben, live in Rochester, New York—far from their home state of Texas. Alex is a successful poet and writer, with three of her novels on the bestseller lists. Ben is a successful freelance journalist. When the twins decide to return to Texas to celebrate their parents' thirty-fifth wedding anniversary, both of them arrange to bring their live-in girlfriends along for the celebration. Both are looking forward to the event, but for Alex it will be a coming out of sorts. While most of her family members are aware that Alex is gay, this will be the first time that she is bringing her girlfriend to a family event. At the reunion, some family members respond negatively to Alex's sexuality, and secrets are spilled that could potentially threaten to rip their family apart. Can the power of love save the Fishers from destruction?.
