Were the secret rituals and processes of the ancient mystery schools hidden away in the Christian Bible? This book presents methods for exploring sacred literature and documents the personal journeys of both authors as they restudied these texts from this different world view. Can Christians be Saved? Yes, Christians and others can be saved by experiencing the world through non-duality or oneness. The reader is guided to use Gestalt processes to explore sacred literature as an initiatory pathway to personal truth. By this means, experience replaces dogma as the source of beliefs. The processes generate exciting and intense self-realizations. The authors were unexpectedly transformed by living through these processes. With this new mindset the divine is experienced within- an active internal personal experience. The dualistic world view of Western religions promotes separation, hatred and wars as well as guilt, suffering and punishment. The non-dualistic world view of oneness removes judgments and separation leading to love and peace. This process facilitates the evolution of human consciousness thus offers a way for humankind to save ourselves from civilization's current...
