Debut YA Novel by the author of 4. 5-Star Romantic Times Top Picks LONG TIME COMING and MEANT TO BE! She thought that seeing the shadows was a curse. Until she saw him. . . Seventeen-year-old Kali has always seen two sets of people: those living now, and those who lived before. But on her spring break in Hawaii, she is suddenly surrounded by more shadows than ever. Including one who, unlike the others, can see her too. Zane remembers nothing besides surfing the monster waves of Oahu's North Shore. He doesn't even know how, or when, he died. He only knows that Kali's gift could be his last chance to find the light--before the mysteries of his past plunge them both into darkness. CRITICAL PRAISE for Edie Claire's classic romantic suspense novels: Long Time Coming, Time Warner Books, 2003 Long Time Coming is a remarkably well-blended romance and mystery, with fascinating shades of the paranormal. The way each layer of Joys discovery of her forgotten past is revealed is deftly done and exceptionally suspenseful. 4. 5...
