

Letters from the Hive: An Intimate History of Bees, Honey, and Humankind

By Stephen Buchmann, Banning Repplier

Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, Letters from the Hive: An Intimate History of Bees, Honey, and Humankind, Stephen Buchmann, Banning Repplier, They work hard, are devoted to family, love sex, and know the importance of a good piece of real estate. Honey bees, and the daily workings of their close-knit colonies, are one of nature's great miracles. And they produce one of nature's greatest edible bounties: honey. More than just a palate pleaser, honey was once an offering to the gods, a preservative, and a medicine whose sought-after curative powers were detailed in ancient texts . . . and are being rediscovered by modern medical science. In Letters from the Hive, Prof. Stephen Buchmann takes us into the hive--nursery, honey factory, queen's inner sanctum--and out to the world of backyard gardens, open fields, and deserts in full bloom, where the age-old sexual dance between flowers and bees makes life on earth as we know it possible. Hailed for their hard work, harmonious society, and, mistakenly, for their celibacy, bees have a link to our species that goes beyond biology. In Letters from the Hive, Buchmann explores the fascinating role of bees in human culture and...
