

Blues Guitar Licks Chart (Paperback)

By Corey Christiansen

Mel Bay Publications, United States, 2005. Paperback. Book Condition: New. 292 x 216 mm. Language: English . Brand New Book. This chart provides a number of common blues licks. Licks are the ideas in a solo that most listeners find to be catchy to the ear. In some cases the licks may be repeated over and over again in a solo. For ease of reading, each of the licks in this chart are written to be played over a standard 12-bar blues progression in the key of A. Most of these ideas are conceived out of the A minor pentatonic scale or the A blues scale. There are a few exceptions however. Have fun with these classic licks.

Reviews

Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.

-- Alda Barton

Basically no words and phrases to describe. It is really simplified but unexpected situations in the fifty percent of your book. I am delighted to let you know that here is the very best publication i have got go through within my very own lifestyle and might be he greatest publication for actually.
