### Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Not illustrated. 1899 Excerpt: .in the office of the Medical Superintendent, of all incidents and happenings on the wards during the day and night. EDUCATIONAL ADVANTAGES. No educational advantages are offered. ADVERTISING FOR SUPPLIES. Advertising for supplies is done annually. The Medical Superintendent submits a schedule of all supplies needed, and the State Commission in Lunacy frames the advertisement and furnishes each hospital with blank schedules, showing the kind and amount of supplies desired, which are distributed among those who wish to bid. This schedule also contains all of the information necessary to guide the bidder, as to time, manner, etc. The system of advertising once a year instead of twice, is preferable, as the State gets better contracts and less expense attends it. EXAMINATION FOR APPLICANTS. It is necessary for all applicants for positions at this State hospital to undergo an examination. The questions are prepared by the Medical Superintendent and submitted to the State Commission in Lunacy for their approval. In addition to. this examination, the applicant has to submit to a physical examination, which is conducted by the medical staff of the hospital. If he reaches a certain per cent on the questions, and is in good physical condition, he is placed on the eligible list, from which list appointments are made when vacancies occur. COST OF MAINTENANCE. The cost of maintenance for the fiscal year ending June 30, 1898, was \$73,870 94. The cost of plant, including purchase of land, pipe line, etc., \$450,790. The average...
