

## The Canadian Entomologist (Volume 12-13)

By Entomological Society of Canada

General Books. Paperback. Book Condition: New. This item is printed on demand. Paperback. 200 pages. Dimensions: 9.7in. x 7.4in. x 0.4in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1880. Excerpt: . . . vein very slightly bi-arcuated and sub-perpendicular; both transverse veins narrowly bordered with brownish-black. Hab. Wyoming, June, Dr. Williston. . . Tet. Lineata, sp. nov. , . Bristles of the antennae nearly bare, wings not reticulated, posterior transverse vein very strongly doubly curved, so that the middle half is parallel to the fourth longitudinal vein. Long. corp. 6 mm. Long. al. 5 mm. Pale brownish. Front obscure yellowish, with the median polished stripe tapering anteriorly; on each side near the orbit is a small reddish spot, and more anteriorly, between the base of the antennae and anterior corner of the orbit, a larger reddish spot with a dark centre. Antennae nearly the color of the front, the second joint covered with small black hairs, the third joint as long as second, scarcely excised and obtuse; basal half of the bristle concolorous with the antennae, terminal half slender,...

### Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

-- Lexie Paucek PhD

*Very helpful to all category of individuals. It is definitely simplified but surprises inside the 50 percent of your pdf. I am very happy to inform you that this is actually the very best pdf i have read in my very own lifestyle and may be the finest pdf for actually.*

-- Christelle Treutel
