Urbane Publications. Paperback. Book Condition: new. BRAND NEW, Sod the Bitches!, Steven Berkoff, "In this way I was able to come home, to smile, to be relieved and even happy - until the bitter, incessant nag in the groin came again, and I lay there in torment next to a body I couldn't begin to touch, couldn't begin to go near. And we both lay there under the thundering darkness waiting for sleep, waiting to be carried to another domain where the sirens and the nymphs touch and caress you in sweet dreams." John is an actor. He is a man. A man who wants. A man who needs. A man who takes. And he takes from those who always expect him to give. To give them love, loyalty, affection - to give them his soul, his loyalty, his life. Why can't they just let him thrive? Why can't they understand the desires and passions that drive him? Why is he a man alone? John has crossed the line from performance to reality, from stage to street, from imagination to visceral breath - and he needs to wrest control before all is lost. Challenging themes that haunt the Berkoff canon are ever-present in this startling novel of sex, class, dislocation, and the desperation to want and be wanted in a thankless and unyielding world. This is a powerful, divisive and brutally honest novel that will inspire, enrage and provoke - and live on long after the final word.
