

## Higher Education Through Television: The Indian Experience

Filesize: 7.99 MB

### Reviews

*An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.*

Concept Publishing Company Pvt. Ltd., 2000. Hardcover. Book Condition: New. Communication revolution has become a reality in the field of open and distance learning in India. The collected essays discuss the structural predicaments in providing education to all in India inspite of technological revolution. Author has also brought about some of the significant uses of television in improving the quality of education and enhancing the access of education in the traditional education system. Communication research as a tool to improve and enhance the television use for education has been emphasized in the book. It also provides historical evolution of the use of satellite television in India in higher education. Printed Pages: 144.
