These new adult paranormal novellas deal with social stigmas, judgment, and hate. Coralie Meyers is struggling to find her footing as an actress in New York. A malicious attempt to thwart another girl s career ends in catastrophe and Coralie soon finds herself in a precarious situation. As the sixth and final member of Women Save the World, a company created by Markaza Turner, Coralie possesses all the cunning the young ladies will need to defeat the evil that s rising under Central Park. If the women fail to save her, evil will rise and destroy the world. Now that Markaza has gathered four of her chicks: Bronya, Lily, Shelia, and Melody, all that s left to do is bring in Coralie, train her, and go to war. But the ladies are struggling with their powers and their personal demons. Will they find the power within themselves in time to destroy the monster and save the world? Only time will tell; and that s one thing they re short on. This fifth installment of the Mystic series is a lesson in what lies, hate, and judgment can do to the world when left unchecked.
