Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from History of the Temperance Reform in Massachusetts, 1813-1883 From boyhood we have been interested in the temperance movement, and have also been connected with different organizations of temperance workers. As the history of this reform has been closely identified with the history of the State, for three-fourths of a century, we have sought to rescue from oblivion a record of the noble work that has been done by the earnest men and women, who have enlisted in this holy war against the gigantic crime of crimes, the liquor traffic. For some years, in the relaxation from other duties, we have gathered the materials here brought together. We have culled from a wide field, including the written or printed records and reports of the principal societies, the statements of prominent members, and the files of temperance and other papers. We have not referred to all our sources of information, because it would too much encumber the pages with notes. We have endeavored to be accurate in our statements. Yet we cannot vouch for their reliability in all cases, especially of names, as many of them have been taken from newspapers.
