

Environmental Studies: From Crisis to Cure (Paperback)

By R. Rajagopalan

OUP India, India, 2016. Paperback. Book Condition: New. 3rd Revised edition. 248 x 191 mm. Language: English . Brand New Book. The Third Edition of this popular textbook is based on the latest syllabus of the Ability Enhancement Compulsory Course on Environmental Studies, prescribed by the University Grants Commission (UGC) under the new Choice-based Credit System. It also includes additional topics included in the syllabi of some universities. The book is meant for undergraduates of all disciplines. Assuming very little background in mathematics or science, it gives a balanced presentation of the major issues and concerns related to the environment. This book will also be useful for those taking the UPSC Civil Services Examinations, since it covers the ecology/environment topics of the Preliminary and Main Examinations.

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- **Mr. Jeramy Leuschke IV**

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.
