### Reviews

*This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Stackpole Books. Paperback. Book Condition: new. BRAND NEW, Log Homes Made Easy: Contracting and Building Your Own Log Home (3rd Revised edition), Jim Cooper, Log homes have come a long way from the wilderness cabins of colonial pioneers. With the advent of new technology and the ever-increasing skill sets of contractors, log homes have become one of the most luxurious kinds of homes built in America. With multi-gabled rooflines and glass-fronted living areas, these sophisticated homes have captured the interest of architects and homeowners alike. In this updated and revised third edition, Jim Cooper includes new information on 'green' construction techniques and materials. Whether planning a new log home or simply interested in learning more about them, readers will find all of their questions answered here.
