Passing Through the Gateway of Knowledge: Studying for and Passing the SATs (Paperback)

By Kathy Moore

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. SAT Guide Are you about to graduate high school and go on to a four-year university or college. Have you always wanted to test yourself academically, to see if you have what it takes to pass through the gateway of higher education and achieve a degree such as a bachelors or Masters? Then you might want to consider taking the scholastic aptitude test (SAT). However, this test is a bit more strenuous than the average high school or GED required test and does require some special preparations and information to achieve the highest score possible. This is where the gateway of knowledge course comes in handy. You will learn everything you need to know to achieve the highest score possible. Maybe even a perfect score of 2400 points if you are willing to put forth the required effort and time to achieve it. What you will learn: You will learn: exactly what subjects the test will cover how many sections there are. How long the test will take to complete, and how many questions there...

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.
