Summary: Reviews and comments on new edition: "Soul has been a powerful inspiration to citizens acting for environmental sanity, showing how they can take committed stands, even if they don't know every last answer. The new edition is even more inspirational." Bill McKibben "I stayed up half the night reading Soul of a Citizen, finding it a beautiful and morally transcendent work. The new edition is magnificent" Jonathan Kozol "When my daughter asked from college how to be an effective grassroots citizen, I gave her Paul's book. The new edition is even more powerful." It teaches them how to get past the barriers to act, and why their actions matter. The new edition is a powerful personal guide to get involved." Hans Riemer, Youth Vote Director, Barack Obama campaign, former political director, Rock the Vote "Soul of a Citizen has inspired countless students, faculty, and other readers since its publication a decade ago. Amazing as that book was, this new version is even wiser, deeper, and more inspiring. Loeb has given even more soul to his wonderful work." Thomas Ehrlich, former president Indiana University "Without engaged citizens, politics is dead. Citizen activism was the source of this country's birth, and today ensures its future. To really, truly understand why it's important for us all to stand up and act, and how to do it, read the new updated edition of Soul of a Citizen, an activist classic that belongs on the shelf right next to Saul Alinsky."
