A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Niyogi Books, New Delhi, India. Softcover. Book Condition: New. Wings of Fantasy announces the arrival of a 12-year-old author, Ragini Bali in the world of childrens literature. The book contains no less than 15 short stories. It provides an insight into what goes on inside the minds of young children. It is her first published work and a testimony to her creativity and command over the language. She pens her fantasies in an astonishingly fresh and simple style of short paragraphs and even shorter sentences. Says Ragini, When I write, my body lies stationery while my soul escapes to joyous places: a lagoon, a forest or even underwater. Printed Pages: 100.
