From the North Foreland to Penzance (Paperback)

By MR Clive Holland

Createspace, United States, 1908. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In the following pages, dealing with the most important or most picturesque of the harbours and seaports of the South Coast from the North Foreland to Penzance, no attempt has been made either to give guide book information which can be easily obtained elsewhere; or to afford technical sailing directions, soundings, or nautical information of the type to be found in such books as Cowper's admirable Sailing Tours, The Pilot's Guide, or in the Admiralty Charts. Rather has it been the object of the author to deal with the picturesque side of the various places described, and to give something of their story and romance, both past and present. That the coastline covered by the present volume has much of interest few will deny. It is, indeed, the one which has played the most strenuous and historic part in the history of our Island Kingdom.
