All pictures are stock photos. The condition of the item you will receive is MINT/New. Our grading system is explained in the terms of sale section of our bookseller page. Please feel free to contact us with any questions. Product Description: There's a tale you hear in a tavern by the docks, if you catch an old sea dog on a dark night laden with rum. He'll tell you of an all but forgotten sea god with a hatred for the living and their ships that so brazenly cross his waters without offering the blood sacrifice he demanded in the days of yore. The god's powers have waned, as brave sailors of all the races bravely cast off in search of far horizons and treasures to fill their holds, but on the darkest of days his might returns. The grizzled sailor may have known someone who set sail on the Sea Maiden, just before such a day three decades ago, and never returned. Others may tell you that the crew of the Sea Maiden was restless, and mutiny was in the air; the crew no doubt ended up hanged as pirates in a distant port. But your storyteller assures you he knows better: the dark god of the sea had his vengeance - and he will have it again one day soon.
